

EnerJazz

Vermont's High Energy Big Band

EnerJazz is dedicated and committed to performing authentic arrangements by the original artists. Their repertoire includes tunes made famous during the big band era as well as newer charts by contemporary artists.

Bring the Swing to your next event!

Let *EnerJazz* entertain your customers, clients, or your wedding guests with their own brand of high quality music. The band performs multiple genres of literature written specifically for the big band sound that helped define "America's music."

EnerJazz's extensive library contains charts written specifically for jazz legends such as Glenn Miller, Tommy Dorsey, Buddy Rich, Benny Goodman, Count Basie and many more! They also include recent hits from artists such as Brian Setzer, Doc Severinsen, Sammy Nestico and Natalie Cole.

Recent *EnerJazz* Performance Venues

Castleton's Concert on the Green
