Dear Harry,

On behalf of our event planning committee, and the organizations that benefited from our gala fundraiser, I wish to extend our thanks to the band for their wonderful performance!

Comments from our guests have been very positive with many remarking on the fun atmosphere of the event. Many of our guests remarked that this was our best event yet. Of course, the band was an integral part of that fun!

We will be sure to keep you in mind for our gala again next year and are pleased to recommend Enerjazz to anyone. Thank you again, Harry!

Warmest regards,
